Extensive Real Estate Complex for Complete Renovation

A large-scale property requiring full restoration, with some structural works already initiated. The buildings form a horseshoe layout around an internal courtyard and are surrounded by over six hectares of contiguous land – ideal for agricultural, livestock, or forestry activities.

The estate includes a spacious L-shaped main building with a basement cellar, as well as a large two-storey warehouse featuring expansive semi-underground spaces.

The property offers excellent potential for conversion into a luxury country hotel or boutique B&B.

A must-see opportunity!
