+info

In a panoramic location approximately 12 km from Asti, independent house for sale with extensive land, partly cultivated as a hazelnut grove and partly as woodland.

The property has been completely renovated in recent years and is immediately habitable, making it suitable as a primary residence.

On the ground floor: entrance through a characteristic stone stairwell, dining area, kitchen, large living room with ventilated fireplace, storage room with laundry area, technical/boiler room, and connections for an additional bathroom.

On the upper floor: three bedrooms, two of which are generously sized, an anteroom and bathroom, plus a former hayloft used as storage space, suitable for potential expansion.

The basement level includes two cellar rooms with original vaulted ceilings.

High-quality window and door frames, newly rebuilt roof, and excellent ceiling insulation.

Viewing is highly recommended.
