REF 626 Typical farmhouse in a spectacular position

AREA	LAND	BEDROOMS	BATHROOMS
412 m²	6,000 m²	5 · 16 rooms	5

In a beautiful panoramic position, just a few minutes from Nizza Monferrato, we offer for sale a large, typical Piedmontese farmhouse, recently renovated and in good overall condition, with modern technical systems and a latest-generation photovoltaic system. The house is surrounded by about 6,000 m² of meadow and orchard, mostly level despite the hilltop position.

On the ground floor: entrance into a large living room with fireplace, a sitting room with its original period fireplace, bathrooms, a bright kitchen and a pantry/laundry room. Outside, a garage and a storage room dug into the hillside, ideal as a wine cellar. On the first floor three large bedrooms, a hallway and two bathrooms. On the second floor a guest area with two bedrooms, a small sitting room, two bathrooms and a terrace overlooking the surrounding hills, connected internally and with its own separate entrance at the back.

Thanks to the gentle slope of the land, there is room for a swimming pool without major works.

A must-see!
