+info

In a quiet location, this detached country house offers ample space to build a pool and extensive grounds. An approved restoration application allows restoration work to begin immediately.

The house is arranged over two floors, with a beautiful underground vaulted cellar.

On the ground floor: entrance with views of the typical staircase, kitchen, living room, and two additional storage and utility rooms. Upstairs are two further bedrooms, a bathroom, and a former hayloft. The underground level features a beautiful vaulted cellar. On the right side, there is a spacious portico. An approved renovation project is already in place.

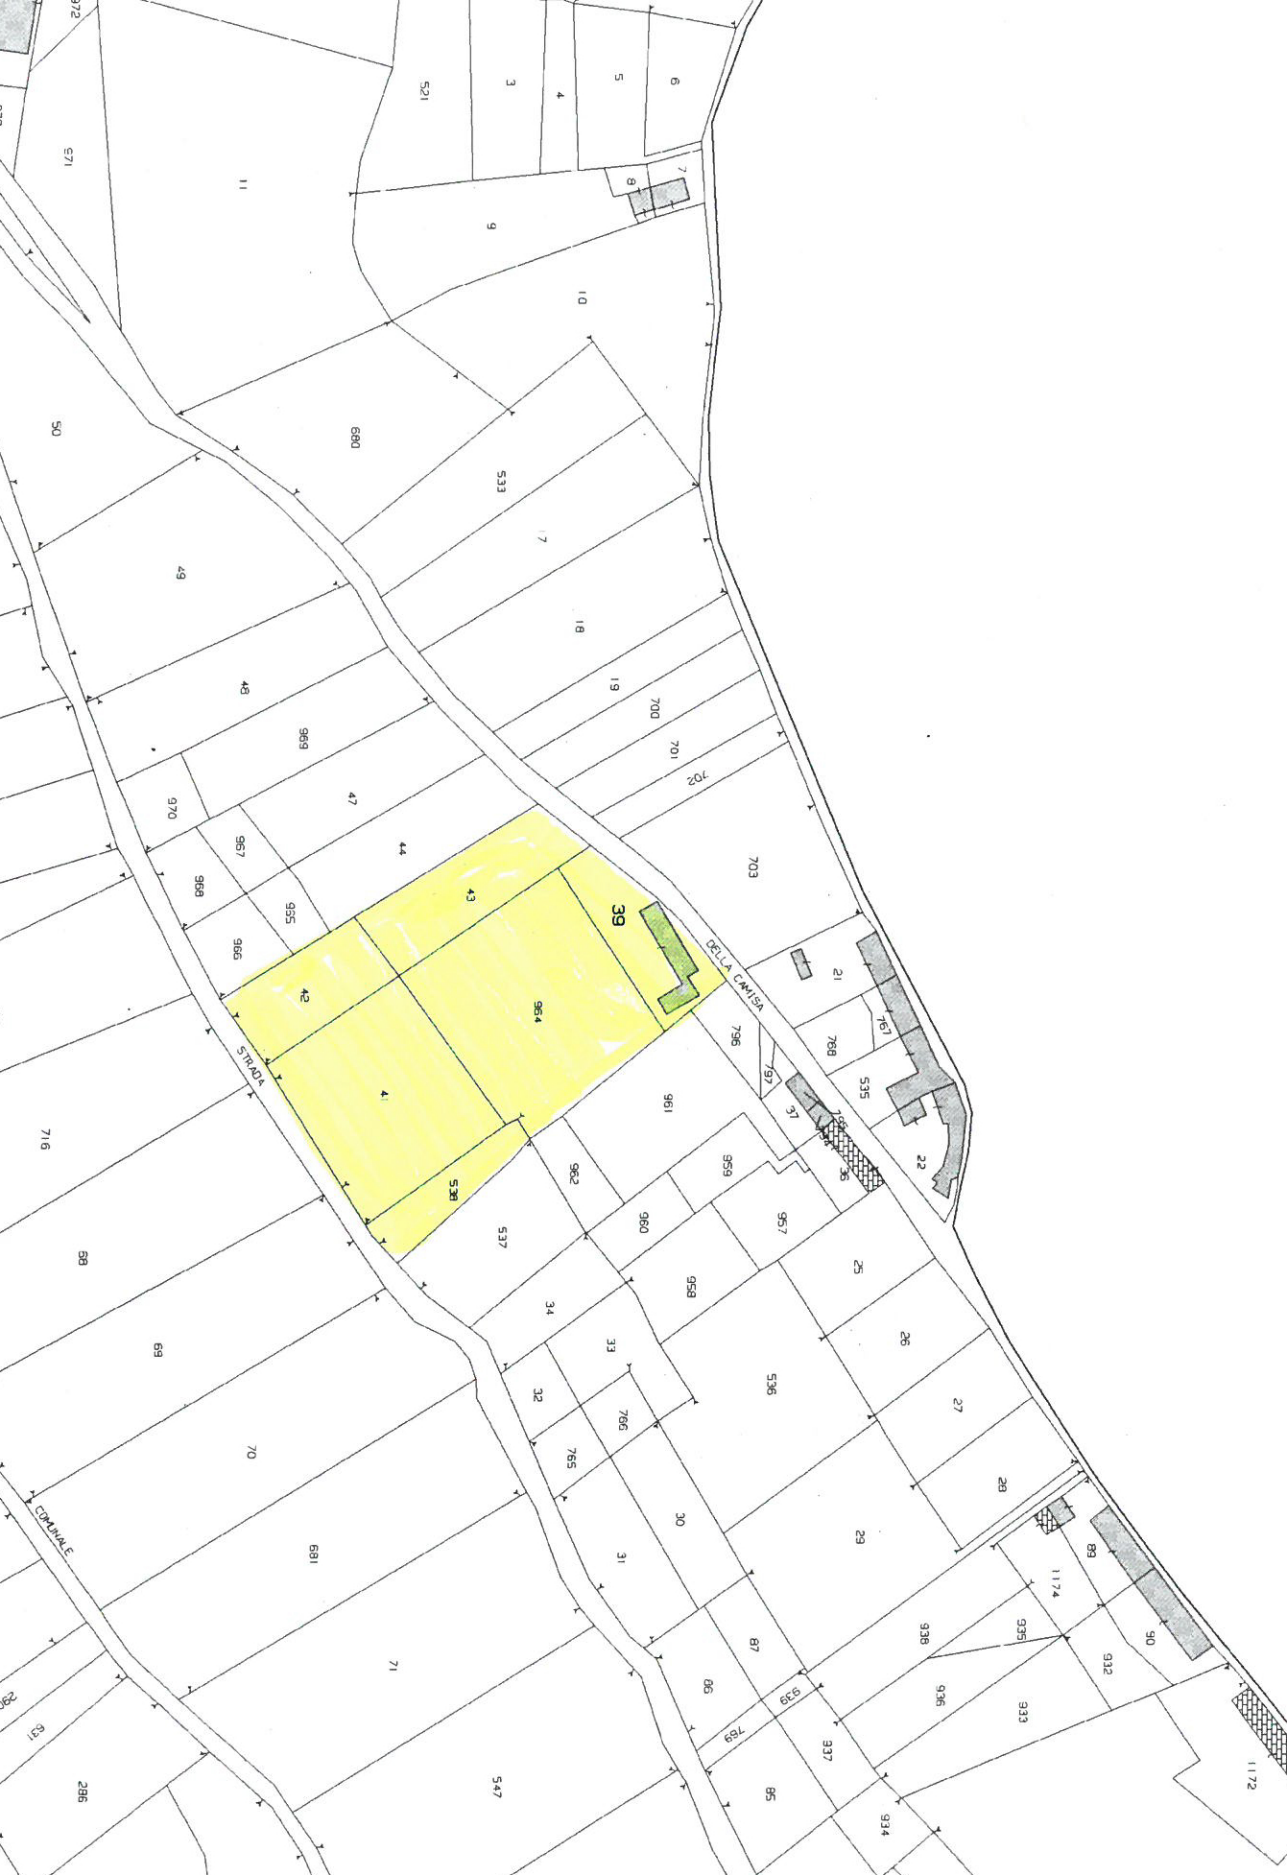

Good value for money.
